Save 0.5 tonnes of CO<sub>2</sub>e

## New Build - Family

Save £468 per year

Save 2,034 kWh (11% energy reduction)

Save 0.7 tonnes of CO<sub>2</sub>e (14% carbon reduction)

# "Zero's the Hero"

## Zero limescale

Removes and prevents limescale throughout your home.

## Zero maintenance

No servicing, nothing to break or go wrong.

## Zero space

No cupboard space lost; no extra pipework needed.

## Zero power

No electricity or earthing = no risk of unit power failure

## Zero chemicals

No salts, resins, phosphates or zinc needed in the process.

## Zero harm to the environment

No effluents into our rivers, no carbon consumption.

Think 100% passive, eco-loving, people-friendly limescale protection for your home and family.

Water that's in great condition because it behaves better and feels softer but – thanks to a genius bit of science and engineering – still has its natural mineral goodness locked in.
